Books are confidants, to which we commit our most intimate moods. The pages of this annual represent an attempt to express tangibly those sentiments which associate themselves with Westminster life. You too, perchance, may discover herein something of those indefinable elements which combine to make our undergraduate days memorable.

TRAINING CAMP

FURNO

Nine hard games, one with a team that prophets were predicting sanely as a coming nation-wide champion, and eight others against rivals whom critics were according sizeable respect, was the test that loomed ahead of Westminster as the squad assembled for training early in September 1928. Careful coaching, hard work, persistent drilling, and spirited scrimmages moulded an aggregation that not only won the respect of every opponent, but also achieved the championship of the Tri-State Conference, sharing that distinction with Duquesne. The Blue and White won four games and lost one in conference competition. Three games, against district opponents, were lost.

LAUDER

WESTMINSTER 6—TECH 32

Pitted against the husky Carnegie Tech eleven, the Titans lifted the lid of their 1928 season at Rayen Stadium Youngstown, September 29. Altho Westminster was outweighed nearly 30 pounds per man, it was not until late in the first quarter that the Plaid was able to score. The Skibos scored three more touchdowns in the second quarter. The first half ended with Westminster checking Carnegie's rush in midfield. In the third quarter the Titans showed fine defensive form and the sinewy Skibos were held scoreless. Havrilla made some impressive gains in this period. Late in the last quarter Palmer intercepted a pass and ran to Tech's one-yard line. An unexpected pass, Holzapfel to Pipoly, gave the Titans their lone tally.

WESTMINSTER 6—ALLEGHENY 13

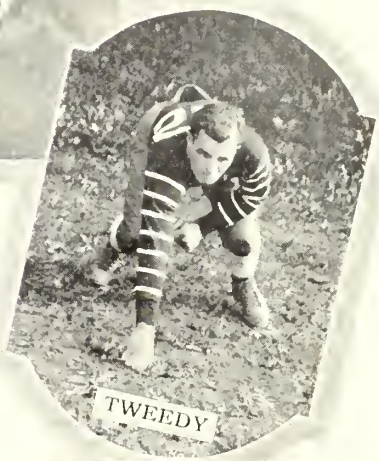

Steeled for the second task by the rigors of the Tech encounter, the Blue and White opened the home grid schedule against Allegheny on October 6. Again outweighed, Westminster broke through for a touchdown and threatened another time, while the Methodists were virtually held to a standstill on their offensive plays in the first half. Line plays and passes accounted for Westminster's tally by Dible in the second quarter. Allegheny returned in the last half rejuvenated and the Titan line wavered as Merritt's lads scored twice. Westminster braced in the final period and play was even. Dible and Havrilla were the most consistent ground gainers for Beede's club in this game.

WESTMINSTER 0—ST. FRANCIS 12

One week later the Titans travelled to Offut Field, Greensburg, where they opposed the St. Francis eleven. This game was undoubtedly the poorest played by the Blue and White the entire season, and it was the only tilt in which Westminster failed to score. Fumbles marred the play throughout the first half, St. Francis scoring after recovering a muffed punt. During the third period Coach Donohoe's team again scored. This tally resulted from a fumble recovery, a long pass, and a plunge through center. An even battle was waged in the final quarter. Captain Furno and Forsha showed to advantage in this game.

WESTMINSTER 6—GROVE CITY 14

On October 20, Westminster renewed gridiron hostilities with Grove City, furnishing the feature event of the Crimson Home-Coming. Grove City relied principally on a running attack, while the Blue and White depended for the most part on forward passes. Grove City carried the play in the early part of the game, scoring after a steady line drive. The Titans retaliated by crashing the line and running the terminals to place the ball in scoring position. A clever pass, McQuiston to Dible, scored our lone touchdown. Grove City scored again in the final quarter. McQuiston's adept passing, Havrilla's line plunges, and Dible's end runs revealed Beede's backfield strength. In the line Forsha, Fuller, and Sweet displayed remarkable work.

FORSHA

WESTMINSTER 7—THIEL 0

On a soggy gridiron against Thiel, Home Coming Day, October 27, Westminster showed pleasing improvement, scored her first victory, and achieved the initial Conference triumph of the year. McQuiston bested Berkman in a punting duel, and play for the most part was localized in Lutheran territory in the first half. In the second half, Westminster continued to work the Thiel line for gains. In the third quarter, Tweedie blocked a Thiel kick and raced to the two-yard line. Lauder plunged over the line for a touchdown and McQuiston made good the extra point. As the battle concluded, the home eleven was working the ball toward the goal. Forsha's injury incapacitated him for the remainder of the season, while Dible's hurt kept him out of play until the final game.

WESTMINSTER 6—DUQUESNE 20

On November 3 the Titans played Duquesne on the Bluff gridiron at Pittsburgh. Beede's men held the foe on even terms until the final quarter when the Duke reserve strength decided the outcome. The Dukes scored first on a clever broken field run in the initial quarter. Layden substituted entire new teams during the remainder of the game, but this strategy proved ineffective until late in the game as Westminster continually withstood the fresh attack, registering 10 first downs to 5 by Layden's eleven. Near the start of the second half Furno speared McQuiston's pass and dashed unmolested 26 yards to score. In the final frame the Dukes scored the deciding markers. In the line, Boone's work was practically impressive, and Captain Furno, Fuller and Sweet also gave fine exhibitions. Palmer distinguished himself by making most of Westminster's yardage.

WESTMINSTER 6—BETHANY 0

In the next contest, November 10, the Titans played against Bethany College for the first time in two years. The game was played on the rain-soaked field at Bethany, W. Va. The Bison eleven's desperate effort to score in the opening frame was frustrated by the determined Titans who made consistent gains by running the line and ends and by passing. The final quarter decided he game with Westminster's driving line attack proving productive. The victory touchdown came as Pipoly caught a pass from McQuiston over the goal line. McQuiston, Palmer, Havrilla, Tweedie, and Boone performed creditably for Westminster.

WESTMINSTER 13—WAYNESBURG 0

Host to Waynesburg on November 17, in the eighth game of the schedule, The Titans showed further improvement. During the first half, Westminster threatened the Yellowjacket goal four times only to lose the ball on fumbles. Sweet's fumble recovery near the goal placed the Titans in position for their first score. Havrilla plunged through the line for the first score as half time approached. Waynesburg's only serious threat occurred in the final period, but was checked on the nine-yard line. Havrilla scored the final touchdown on a plunge through center, following McQuiston's clever passing. Jiggs caught McQuiston's pass for the extra point. McQuiston and Palmer performed well among the backs. On the line Sweet, Dombrowski, and Boone were outstanding.

DIBLE

WESTMINSTER 12—GENEVA 0

Geneva was defeated in the closing game of the campaign, here, November 24, a feat which a Westminster team had not done since 1914. A spirited Westminster team proved too much for the Covenanters in a game of high spots and brilliant play despite the mud. The Titans lost no time in driving their way to triumph, for in the early minutes of play Lauder raced 45 yards through the entire Geneva team to place the ball on the Covenanter one-yard line. Havrilla smashed through the line for the first touchdown. In the second quarter, Westminster again scored when a Geneva pass near their own goal bounded from Furno's arms into Pipoly's grasp, the Titan end scoring. Geneva's one offensive threat came in the last period when Flenniken's eleven resorted to passes.

Westminster played great football against Duquesne, but she played better ball against Thiel, showed even more improvement against Waynesburg, and then the Titans furnished one of the biggest upsets of the year by completely outclassing Geneva. Coach Dyke Beede, and his able assistant, John Lawther, have worked wonders with the Westminster team. Six members of the team played their last season for the Blue and White. Four regulars: Captain Joe Furno, doughty tackle; Jiggs Havrilla, powerful fullback; Jimmy McQuiston, alert quarterback; and Jimmy Lauder, ex-captain and reliable halfback, closed their college football careers, and two good reserves: "Chuck" Ayers, tackle; and "Mack" Krueger, dependable center, turned in their suits. These six departing players have given their best.

Havrilla, McQuiston, Forsha, Furno, Boone, Palmer, and Fuller were all ment'oned by sports writers for all-conference and all-district elevens. Havrilla was placed on six all-opponent teams and was conceded to be the outstanding fullback of the conference. The heady play of McQuiston at quarterback was also one reason why the Titans had a fine offensive team.

Palmer, freshman half, toted the ball more than 600 yards in the last six games. Fuller, Forsha, and Pipoly, freshmen linemen, were outstanding in their first year of college ball. Captain-elect Boone, scrappy center, was a consistent power on both offense and defense.

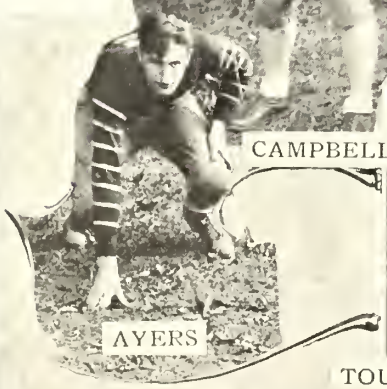

With eleven letter men available for next year, the Titans should continue where they left off in 1928.

TEN TITANS

T. LEWIS

Burnishing like a molten sunset, basketball at Westminster enjoyed one of its greatest seasons during the 1929 campaign and will be recorded as one of the most colorful in the history of this very appealing sport. The Titans' record of 15 victories in 17 games was the more salutary and commendable because of keen competition throughout the district. On the offensive Coach Lawther's team was particularly impressive, totaling at the conclusion of the season, a total of 599 points to offset 325 tallies made by its opponents.

Westminster was conceded the championship honor of the entire district, the Titans presenting a season percentage of .882 in comparative competition with strong teams such as Pitt, W. Virginia, and the more dangerous conference foes, Bethany and Geneva. In the Tri-State Conference the Blue and White relinquished first place, dropping into runner-up position, in not meeting one of the member clubs. This circumstance in no way detracted from the conviction that Westminster sported the best outfit in the district during 1929.

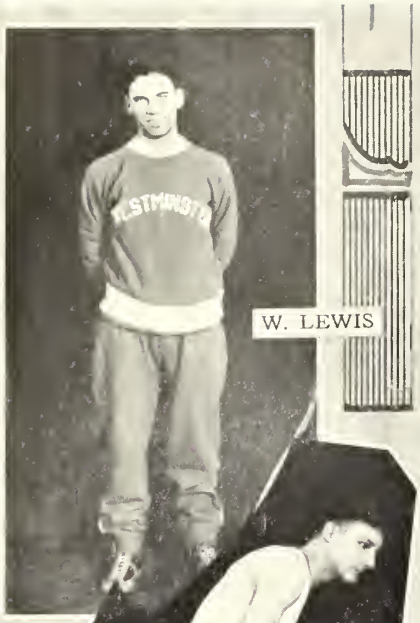

Preliminary to the start of their intercollegiate schedule, the Titans opposed five strong independent teams, and defeated all of them. Then on January 4, the first test of the year came, when the Blue and White floormen journeyed to Grove City to match play with Coach Thorn's passers. The Titans completely outclassed the Grovers, winning 40-18. In this encounter they evinced the scoring power and guarding that was to baffle opposition throughout the schedule. With the exception of Crowell, who played center in the absence of Sparky Connor, Westminster presented the same team that had won the championship the previous year in the Conference.

Delahunty led the scoring with seven field goals. Tudor Lewis O'Donovan, and Captain Ayers displayed fine floor work. Coach Lawther's reserve and new material also worked to advantage against Grove City.

Encouraged by their initial triumph, the Titans trained their guns on the approaching game with Duquesne, January 11. By some feat of legerdemain more than 1,500 fans crowded the home gym to watch one of the most strenuous battles the Titans were to experience. Forced to continue play in an overtime period, the Titans finally staggered the Dukes, 28-25. A late rally cut the Titan lead, the score standing 24 each at the end of regular playing time. In the extra session Lawther's stalwarts looped two field goals to clinch the decision. Featuring the first Conference win of the year was the work of Tudor Lewis, plucky Titan guard.

In the next game, against Allegheny four nights later, Lawther's club again found a gruelling give-and-take experience besetting them, as is appreciated in inspecting the 27-26 victory that the Titans achieved at Meadville. That same week the Westminster quintet faced its second Conference opponent, when it competed with Geneva at Beaver Falls, January 18. Like the first league game of the season, the victor was doubtful until an extra-period play-off. With the count tied 14 all, at the end of forty minutes of play, Geneva edged ahead to win 18-15 in the extra stanza. Close guarding predominated in this game. At the end of the half the Titans led 6-2, with Geneva unable to register a single goal from the field. Rice, at guard for Westminster, was impressive in this match.

In a hard and rough game at Greenville, January 29, the Titans annexed their second Conference victory, defeating Thiel by a 36-16 margin. Two nights later Westminster continued the win habit when the Detroit City College floor squad, Michigan State Conference champions for the previous season, were welcomed and subjected to a 51-15 loss.

Following this game, Allegheny visited the home court, February 4, in the return game. They returned home on the disappointing side of the hyphen between the numbers 36 and 12. After a four day interval, Bethany stalked the Westminster floor, intent on continuing its no-defeat record and ensure more firmly its lead for league laurels. It was a crucial time for both the Titans and the West Virginians. A wholesome and convincing 37-22 victory for Westminster was the outcome, with the entire Blue and White team working with lightning celerity to baffle the Bisons.

Playing hosts to Carnegie Tech on February 13, the Titans again defeated the Pittsburghers, this time by the score 40-21. Meeting Bethany on the latter's midget floor two days later, the Titans suffered their hardest, second, and last defeat of the year. It was hard not in its immensity but in the fact that the Titans were fated to lose out by one point, the winning goal coming in the last five seconds of play. The game ended 30-29.

The Titans braced the next evening, spilling W. & J. at Washington, 36-12. Westminster won its eleventh game of the year on February 21, when Geneva was humbled 23-15 in one of the fastest encounters to that point in the schedule. The sting suffered at Beaver Falls was completely revenged, with O'Donovan leading the attack as the Covenanters made their forced bow. Victory number 12 was registered two nights later, W. & J. succumbing to a 26-13 reversal on the home floor.

Grove City was the next victim as the Titans continued their crushing and courageous play. Primed to perfection, the Blue and White passers walloped the Grovers by a 50-8 count March 1. In this encounter Grove City was held to one field goal throughout the performance, and failed to score a single point the second half.

At Pittsburgh March 5 the Titans again gave ball critics and fans animated and amplified proof of their claim to the Western Pennsylvania floor title, by turning in their fourteenth victory of the year in the form of a 25-20 victory over Duquesne. The Titans balanced eager and aggressive offensive play with the best defensive work of the year in this contest. Thiel was trounced two nights later, 53-17, in the final game of the schedule. This was the heaviest scoring record the Titans turned in all season.

Ten varsity players were awarded basketball insignia this year, including: Tudor Lewis, Delahunty, O'Donovan, Crowell, Rice, Brownlee, Kocheran, Wm. Lewis, Fisher, and Ciesynski. But two of these men will be lost to the Titans for next year: Tudor Lewis and Wm. Lewis. Several of the Titans, namely Tudor Lewis, O'Donovan, and Delahunty were recognized as outstanding players of the district by sports writers, and were placed on all-star teams.

GENEVA MEET

HARTWELL

HUTCHISON

Determined to atone for the colorless season of the year before, Westminster's 1928 track squad blew the dust from their spiked shoes early in April, commencing strenuous practice under the new coach, Prof. R. X. Graham. Most of Westminster's victory palms in track had long withered even in memory, and new achievement was the aim. When the schedule ended the Blue and White track men had won one meet, finished third in the annual Tri-State Conference track derby, lost three encounters, and created a new Conference record in the mile event, this with the same team which the year previous had lost by large margins in every meet. The season's showing merits approval in that the performance of the lettermen was consistent, the work of the new material encouraging, and the attitude that is essential to Westminster's rise in the sport was dominant.

WESTMINSTER 63 — ALLEGHENY 71

Rain and a biting wind greeted the athletes of Allegheny and Westminster when they met in the opening meet of the year on the home track, May 5. The veteran Methodist team was returned victor by an eight-point margin, winning 71-63. Westminster scored seven of a possible fifteen first places, the second and third position prizes being about evenly shared by both teams. Delahunty of Westminster and Danner, an Allegheny dash man, split top scoring honors with eleven points apiece. The Blue and White scamiclads had but eight days of outdoor practice for this meet, and performed with spirit despite lack of outdoor preparation.

WESTMINSTER 66 — CARNEGIE TECH 69

Six days later Westminster opposed Carnegie Tech in the second test of the calendar at Skibo Bowl, Pittsburgh. Coach Graham's men missed triumph by three points, being nosed out in the final count, 69-66. Warm rivalry kept the lead wavering between the teams throughout the contest, the outcome not being certain until the counting of the final event score. It was Westminster's consistent clinching of second and third places that assured them of striking distance at all times as their first positions were limited to six. Hutchison, Westminster, was the high point man of the meet garnering 15 points. McFarland, Tech, was next with 13 scores, while Mirtz and Delahunty of Westminster shared third with 10 points each.

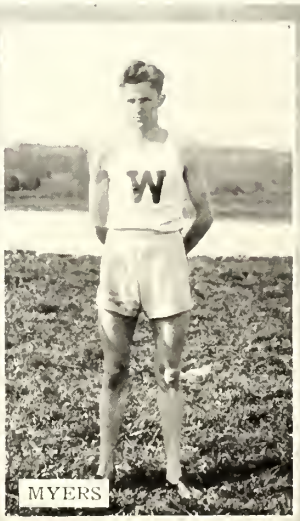

WESTMINSTER 73 — GROVE CITY 67

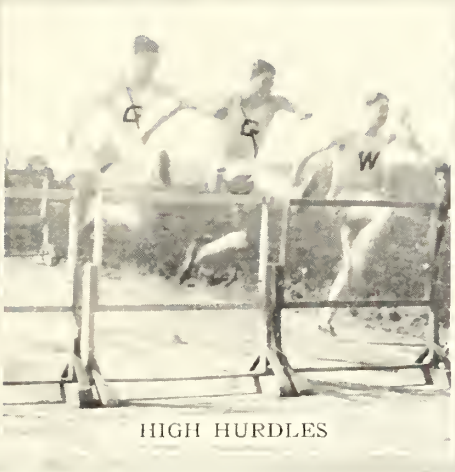

Intent on breaking the habit of barely missing victory, Westminster's track team invaded Grove City on May 18, where they earned an impressive triumph, downing the Grovers, time-honored rivals, 73-67. It was a hard duel all the way, Graham's squad leading by one point before the final event, the one mile relay, showed Westminster's supremacy. The running of Mirtz for Westminster featured the meet. Besides taking second scoring honors with 15 points, he ran his quarter of the relay event in the exceptional time of 51 seconds flat to assure the Blue and White its first victory. Bartlebaugh of Grove City was high point man with 16 for a total. Delahunty followed Mirtz in scoring with 11 points.

Geneva with a record of having doubled the count in defeating Allegheny and Grove City visited the Westminster track, May 23, to turn home with a 94-41 triumph. Pitted against the best club in the Conference, Graham's team was powerless. The Covenanters annexed eleven of the first places, beside taking a majority of the second and third positions.

THE CONFERENCE MEET

Traveling to Beaver Falls on Memorial Day, Westminster finished the season in track by placing third in the traditional Tri-State Conference meet. Geneva topped the field with 90 points, Bethany took second place with 40 points, nosing out Westminster who had 36 points. Tarr of Bethany carried off the high point trophy with a total of 13. Westminster was creditably represented by Mirtz, who won the mile event in the fast time of 4 minutes and 35 seconds, Crowell, who won the 440-yard dash, and Delahunty, who tied for the prize in the pole vault.

Captain Hartwell, Captain-elect Hutchison, Delahunty, Boone, H. Bucher, R. Bucher, Mirtz, Stewart, Peresenyi, E. Myers, Crowell, Osborne, Hemer, and Manager Swisher were awarded letters for the 1928 season. Of this number, Hartwell, H. Bucher, R. CROSS COUNTRY

No restful vistas of molten gold did Westminster's 1928 cross country squad vision when it met with Coach Graham for its first practice of the year. On the contrary, premonitions of a mediocre season rumbled and flashed across their horizon. When the schedule ended on November 24, Westminster had for the second consecutive year won the Tri-State Conference Championship.

Captain King, E. Myers, and Wallace were the only lettermen available. Thus it was that inexperienced men faced Allegheny in the initial match of the season. Westminster lost, 18-37. Two weeks later the blue and White harriers vindicated themselves at Grove City by a 20-35 triumph. The next week Thiel was decisively defeated 19-36.

Losing to Carnegie Tech, 21-34, when they met the Skibos on the Schenley course, November 3, the Blue and White racers returned to Pittsburgh to compete in the Allegheny Mountain Association championship. Westminster won the second place trophy, tallying 47 points, Geneva nosing them out with a score of 43.

Geneva was considered the favorite against Westminster. However, the dual meet held here November 24 resulted in a convincing triumph, Westminster winning 24-31.

Captain King, Captain-elect Wallace, E. Myers, Ellis, Perrine, and Smalley received varsity awards.

SINGLES ACTION

Hampered by a series of handicaps, Westminster's varsity tennis team had a moderately successful season in 1928. Adverse weather conditions, an unavoidable delay in resurfacing the outdoor courts, and cancellation of important matches basically account for the fact that the Blue and White relinquished their possession of the Conference tennis trophy for the first time in four years. During the schedule the Titan net team played nine matches, winning four and losing five; two engagements were cancelled. Of the six Conference encounters, Westminster won three and lost the same number.

Traveling to Pittsburgh on May 4, the Blue and White racqueteers lost the opening match of the season to Duquesne by a close 4-3 score. The playing of Clark in the singles and the work of Schafer and Clark in the doubles was impressive in the initial competition. Invading the Thiel courts on May 9, Westminster lost the second match of the schedule, again by the margin of 4-3.

On May 17 at Allegheny the Blue and White netmen scored the first victory of the season 3-1, rain preventing play of the doubles matches. Five days later Westminster opened its home season by playing host to Geneva. In this contest the home racquet handlers won by a 5-1 count, crediting the Blue and White with its first Conference victory of the year.

MANSELL

In the tilt with Bethany on the Bison courts May 24, the Westminster volleyers decisively triumphed 7-0. The next day the Titans lost 7-0, playing the heralded Pitt net aggregation at Pittsburgh. In swift succession the United Presbyterians encountered Duquesne on May 29 and Pitt once more on June 2, both games being played at home. Westminster defeated the Dukes 6-1, Pitt again showing its superiority, 6-0.

Hindered from advancing in the Conference rating because of Thiel's and Bethany's cancellation of return matches, Westminster staked claims to Tri-State supremacy on its tilt with Geneva on May 30. This match, played at Beaver Falls, was lost, 4-1.

Six athletes won letters in tennis for the year 1928. They were: Captain Paul Gibson, Captain-elect William Schafer, William Clark, Francis McDowell, Richard Robinson, and James McQuiston. Others who participated on the Blue and White net team were Irving Mansell and Donald McClure. Gibson and McDowell were lost to the team by graduation, leaving four lettermen for the 1929 season. These men, together with a wealth of new material, should redeem the Westminster tennis honors and restore the championship cup to its rightful place.

INTRA-MURAL SPORTS

Providing recreation for large numbers of students including many who were not on varsity teams, intra-mural competition in football, basketball, volley-ball, water polo, and swimming reached new heights at Westminster during the year. Under the able direction of Jack Hulme, physical director, leagues were formed in the various sports and schedules were run off in a spirited but orderly manner. Cora Williams directed the arrangement of contests for the girls, while Louis Peresenyi assisted Director Hulme with schedules for the men.

GIRLS' BASKETBALL

Co-eds of the Junior Class repeated their performance of the last two years and won the inter-class basketball championship. Coached by Ruth Lewis and led by Jean Boyd, the Juniors won eight games and lost one. During the three years in which the 1930 co-eds have been in the inter-class league, they have won every contest but the one dropped to the freshmen this year. The Freshman team, coached by Jane Swank and led by Pauline Robinson, were runner-up to the Juniors. Outstanding for the Juniors were Marie Harry, forward, and Catherine McClure, forward, two leading scorers in the league.

INTRA-MURAL BASKETBALL

Kappa Phi Lambda fraternity won the annual intra-mural basketball championship in the hardest fought schedule of games ever witnessed here. The Kaps were able to defeat the Delta Phi Sigma team in a play-off after both teams had won four and lost one in the regular competition. The play-off game ended 14-13 in favor of the Kaps. In the dormitory league, First Floor and Third Floor tied with four victories and one defeat. In the play-off First Floor won out by a 15-13 score.

In the championship series between Kappa Phi Lambda and First Floor, the Dormitory team defeated the Greeks in the first game by a 16-14 score. The Kaps retaliated by winning the second contest in convincing fashion by a 29-13 score. In the final nip-and-tuck contest, the Kaps again won out by a 20-18 score.

VOLLEY-BALL LEAGUE

The Sophomore co-eds, led by Lois Stewart, won the volley-ball championship in a league composed of teams representing the three under classes. The Sophs won eight out of ten games on the schedule. Volley-ball was introduced as an inter-class sport this year and considerable interest was shown in the contests played. The Freshman co-eds placed second in this league.

INTER-CLASS FOOTBALL

Representatives of the Freshman class defeated the Sophomores in the annual under-class football game by a 7-2 score. The game, played on a field piled high with snow, was a much better exhibition than the score would indicate. The Sophs scored first when Bauman, Frosh back, was tackled behind his own line to give the Sophs two points. In the second half, the Frosh blocked a kick, worked the ball down the field, and Meredith, Frosh fullback, hit the center of the line for the score. Glenn O'Donovan coached the Freshman team, while "Jiggs" Havrilla and "Huddie" Forsha, members of the varsity, coached the Sophomores.

WATER-POLO

Not content with the volley-ball championship, the Sophomore co-eds added the water polo championship to their list by winning four games and losing none. Essentially the same girls who composed the winning volley-ball team made up the water-polo outfit.

CHEER LEADING

A new system of selecting cheer leaders, inaugurated by Jack Hulme, provided for a cheer-leading class. During the year, a large group of candidates did excellent work at football and basketball games. Kenneth Dyer was head cheer leader until he dropped out of college and Kenneth Hemer was acting cheer leader for the rest of the year. Those on the squad included Fithian, McComb, Blaha, Hazen, and Weingartner.

Tau Kappa Alpha

Tau Kappa Alpha, national honorary debating fraternity, was founded at Indianapolis in 1908. Westminster's chapter for men was installed in 1911. Last year the women's debating fraternity, Alpha Sigma Alpha founded in 1923, was incorporated in Tau Kappa Alpha. The organization sponsors intercollegiate and class debates.

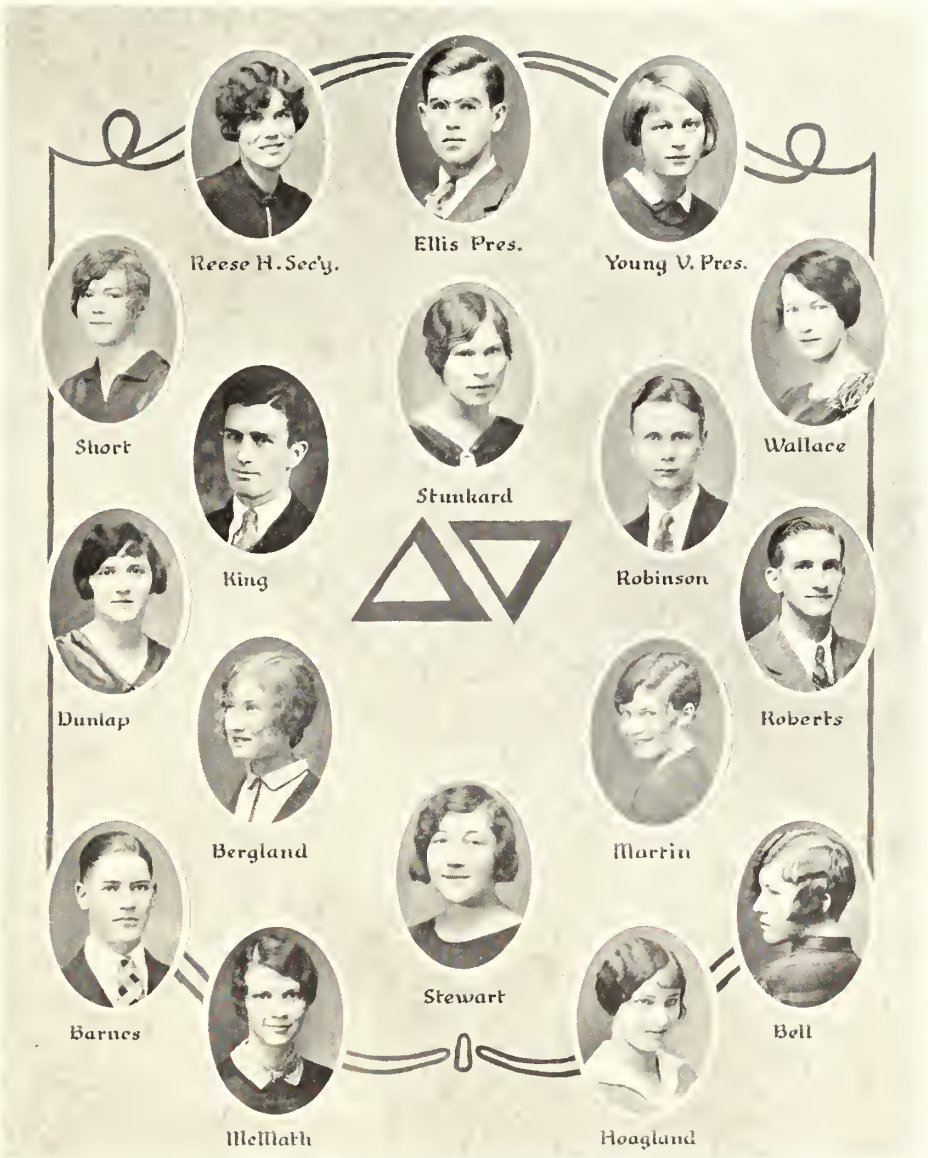

Tau Gamma Delta

Tau Gamma Delta, honorary journalistic fraternity, was founded in 1923, to sponsor campus publications and to honor journalistic accomplishment of Westminster men. The fraternity has sponsored the publication of "The Polecat", a satirical copy of the "Holcad", and the "Westminstrel." This year, the organization published the "Westminstrel."

Psi Nu

Psi Nu, honorary journalistic fraternity for women, was founded in 1926, to co-operate with Tau Gamma Delta in promoting interest in Journalism at Westminster. The organization, conjointly with Tau Gamma Delta, sponsors the "Westminstrel."

Delta Nabla

Delta Nabla, honorary mathematics fraternity, was founded in 1928, to promote interest in mathematical studies. Those who are majoring in mathematics and have completed eleven semester hours with B average are eligible for membership. Mr. Moorehead and Dr. Black are faculty advisors.

The Westminster College Year Book
Published Annually by the Junior Class
Member of the National Scholastic Press Association

Volume XXV

During the early life of Westminster, a keen desire was felt for a yearbook which would present the various sides of student activity and portray the glorious attributes of Westminster College. To those who first conceived this idea, the class of 1904 with a staff of six members, credit is due.

The Annual was called the "Argo" the name being derived from Greek literature in which it represented a sister ship of the"Holcad" in the search for the golden fleece.

In 1905 the Senior Class did not attempt another annual since the first publication had been a financial failure. However, the class of 1906, resumed the work in its Junior year which thus established a precedent.

Since that time the Junior class has always edited the yearbook, and each year it has made steady development and progress in the journalistic world.

In the spring of 1928 at a convention of the National Scholastic Press Association the 1929 Argo received an All-America rating. This year the 1930 Argo became a charter member of the Association.

The Holcad

Founded 1884

The Undergraduate Newspaper of Westminster College

Published every Tuesday of the college year

Member of the Intercollegiate Newspaper Association of the Middle Atlantic States

The Holcad first appeared in 1884 and at that time was published twice a month in pamphlet form. Later it took the form of a monthly literary magazine, and since 1894, has been issued weekly as a four-page newspaper. The name was derived from the Greek "Holkas", a "ship of burden" in search of the golden fleece.

The Holcad is maintained by a staff of competent college journalists. Recently the progress of Westminster has made it necessary to increase the staff as well as the size of the paper itself. It is now a six-column four-page weekly, improved also by the use of a greater number of photographs. The alumni column is a new feature.

Within a year, the staff, with the help of R. X. Graham, faculty advisor, hopes to have this publication sent to each alumnus of the college. The new Holcad, with its extensive improvements, is expressive of the spirit of the greater Westminster.

The Westminstrel

Founded 1927

The Westminster Humorous Magazine

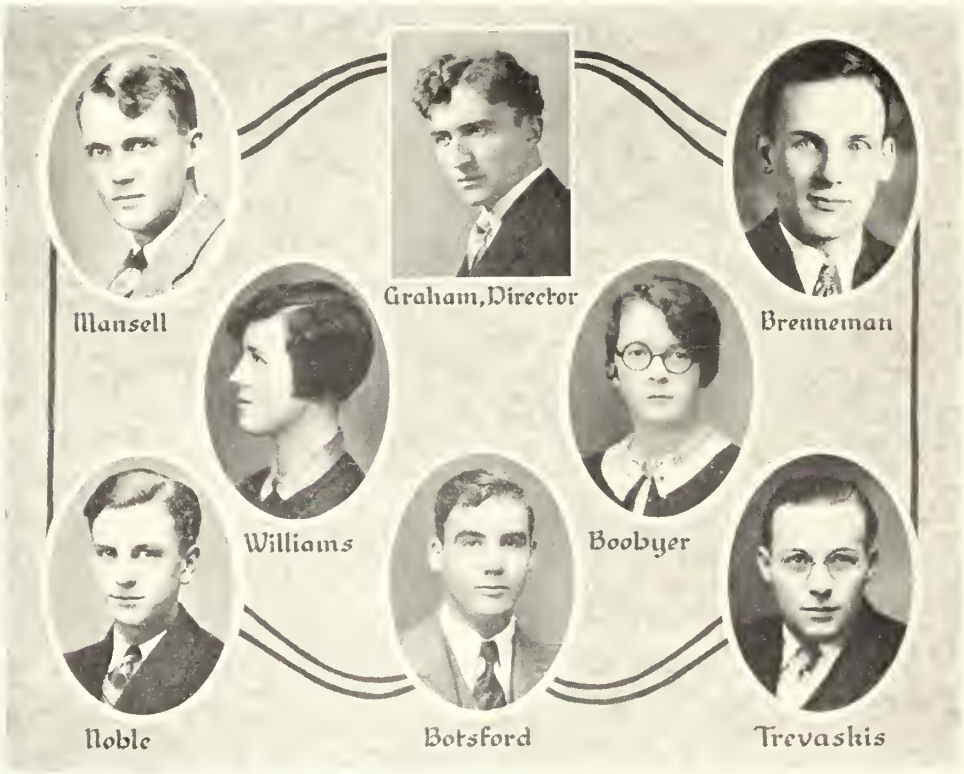

Published quarterly through the college year

The Westminstrel, published four times during the college year, made its first appearance with the May Day number in 1927, as the first and only humorous magazine on the campus. It was started by a group of students who deserve credit for embarking on a project to secure for Westminster a publication containing verse, cartoons, jokes, parodies, and the like.

Later the Westminstrel was taken over and sponsored by the two journalistic fraternities, Tau Gamma Delta and Psi Nu. This year's numbers were published by Tau Gamma Delta.

With the spring issue the Faculty Committee on Publications appointed a regular Westminstrel staff which issued the spring edition. The magazine is copyrighted with exclusive reprint rights to College Humor Magazine.

Westminster News Bureau

The Westminster College News Bureau, the official college publicity service, was organized in 1927 and has grown continually since that time. Now the bureau supplies more than one hundred and twenty daily papers and forty weekly papers with news and pictures of college activities. During the past year twenty-four hundred pictures of athletes, faculty members and prominent students have appeared in the various newspapers in this section of the country. The members of the bureau co-operate with the alumni association and the many organizations on the campus in their publicity work.

The range of influence of the bureau is from Erie, Punxsutawney and Oil City on the north, to Cleveland and Youngstown on the west, McKeesport and Johnstown on the east, and Greensburg and Washington on the south.

Members of the bureau during the past year have been Katherine Boobyer, Cora Williams, John Trevaskis, Irving Mansell, Wilson Botsford, George Noble, and Henry Brenneman.

The program was notable for its variety, the major work presented being Beethoven's Fifth Symphony.

Y. M. C. A. Cabinet

The Y. M. C. A. Cabinet was able to secure as speakers for the association this year Dr. George Lackland, Meadville Old Stone Church; George Smith, Field Secretary of the National Y. M. C. A.; L. A. Pickett, New Castle; and John Elder, New York City.

Last spring, the Y sent three delegates to the Eaglesmere Conference and hopes to send as many or twice as many this year.

In addition to its old duties in supervision of the Who's Who and the publication of the Freshman Handbook, the association has this year taken the responsibility of making the Freshmen feel at home and acquainting them with the campus in the "Big Brother" movement.

Y. W. C. A. Cabinet

This year the Y. W. C. A. Cabinet secured the following people as speakers: Jack Hulme, Miss Charlotte Taylor, Mrs. Induk Kim of Korea, Miss Elizabeth Stewart, and Miss Ruth Sheldon of Buenos Aires.

Six delegates were sent to the Eaglesmere Conference and six more will be sent to the coming conference.

The Y. W. sponsors the Who's Who, girls' athletics, publication of the freshman handbook, the Spring Hop, the "Big Sister" movement, and this year has added a new activity to its list, the Westminster Y. W. C. A. Scholarship to Keen School in Tientsin, China.

Student Volunteers

The national student volunteer movement, of which Westminster's student volunteer group is a part, has organizations in universities and colleges in America and foreign countries, as recruiting agencies to prepare students for work in the mission fields. It was started at Princeton in 1886, and was installed at Westminster in 1907. The student volunteer group is composed of members of all denominations, and the missionaries are sent out by the several church boards.

The annual conference of the student volunteers of western Pennsylvania and West Virginia was held this year, March 1-3, at New Wilmington, under the auspices of the Westminster group.

Upper Class Committee

One of the distinct phases of student government in Westminster is to be found in the sub-committee to the Student Council, which came into existence in 1919 as a result of a revolutionary movement of the students. It was deemed advisable to form this body into whose constitution could be written the precedents and traditions of the College which are so relatively important to its existence.

Thus, the Upper Class Committee was created to fulfill this requirement, and the history of its past existence has adequately demonstrated its usefulness. This group fosters student athletics, directs the initiation of freshmen, and regulates the relations between classes.

The committee is appointed by the presidents of the two upper classes and is composed of three seniors and two juniors.

YOUTH IS THE BARGAIN TIME FOR LIFE INSURANCE

YOUNG people who are about to embark upon a career should consider very thoroughly the question of life insurance.

Although its present need may not be apparent, sooner or later life insurance is bound to play an important part in the life of the average progressive individual.

We earnestly suggest that the students of Westminster analyze the virtues of the various Equitable policies which are designed to promote thrift.

The young person who begins to save money through the regular payment of life insurance premiums is creating a bulwark of safety for the unknown tomorrows.

Then too, it is a tribute to their parents who are sending them through school for students to indicate their gratitude by the taking out of an Equitable policy in favor of the loved one who perhaps has sacrificed for the college course.

Certainly is youth the bargain time for life insurance, because each year its cost grows more.

Nothing is more indicative of a thorough understanding of the problems of life than for a young man or woman to adopt a comprehensive insurance program which can be amplified as earning power grows.

Without obligation, the undersigned representative of the Equitable Life Assurance Society of the United States shall be very happy to discuss the various kinds of life insurance suitable for young men and women.

Even if you are not considering its purchase at present, a working knowledge of the many ways in which it can be of service in later years should prove of inestimable value.
